

NEW PARKING PROCEDURES AT 2 MIRANOVA

Isaac Wiles' clients now have two options for parking. Please read carefully the instructions below and choose the option that you prefer.

Option 1:

- **Valet:** Miranova Corporate Tower service provides valet to all visitors. To access the valet, pull into the circular driveway which leads to the entrance of the Miranova building. Provide your key to valet and inform them you are a visitor of Isaac Wiles. You will be provided with a valet ticket to bring to Isaac Wiles receptionist. When you are ready to leave the office, the receptionist will stamp/mark your valet ticket to indicate that you are not to be charged for the valet service and will notify the valet to bring your vehicle to the circular driveway for pick-up. Miranova valet services are complimentary and tipping is not encouraged.

Option 2:

- **Reserved Parking:** Isaac Wiles has a limited number of reserved parking spaces located on the PURPLE Level, which is located on the fifth floor of the parking garage. The spaces are designated by a circular sign and marked: IW Reserve.

To access the reserved spaces, pull into the Miranova garage and take a ticket from the ticket dispenser. Proceed downward through the lower level of the parking garage (the level you enter on) and then up the ramps to the PURPLE Level located on the fifth floor.

- The first set of Isaac Wiles reserved spaces **10-24** are located on your **right-hand EVEN NUMBERED side** as you approach the elevators and staircase area, which is on the right-hand side at the halfway point on the PURPLE Level.
- If those reserved spaces are full, a second set of Isaac Wiles reserved spaces are located on the "Exit" portion of the PURPLE Level, which you can access by turning left onto the "Exit" ramp, which is located directly across from the elevator and staircase area. You will then see the other reserved spaces **96-92, 84** on **your right hand side** and on **your left hand side** you will see reserved **ODD NUMBERED** spaces **103-89**.
- Bring your ticket to reception and the receptionist will validate it for you.

- If all spaces on the purple level are full, please exit the garage and proceed to the Valet for assistance.

If you encounter any difficulties, or if you have any questions, please call our receptionist at 614-221-2121.
